

ABCO ADVISOR GENERAL UPDATE

20-20 CAP Studio

6/7/06

ABCO is pleased to announce that our product offering is now available on 20-20 CAP Studio™! Our CAP electronic catalog will be included on the 20-20 June CD.

20-20 CAP Studio is an AutoCAD®-based space planning and specification software program. AutoCAD graphics are linked to electronic product catalogs with sophisticated software tools to help manage large design projects, reduce errors, and increase productivity. To learn more about CAP Studio, please visit the 20-20 website – www.2020technologies.com.

If you have any questions, please contact your local ABCO Sales Representative or Lesa King at lking@abcofurniture.com or (800) 336-0070 (ext. 349).
